Special Dietary Needs Considered.

Angel Delight Tea Room is a great place to host little girl or adult tea parties. A 110 old beautifully decorated home with elegant dining awaits you and your guests. Piano or guitar music is played in the background. Adults reminisce in the midst of the antique glassware and ladies' hats. Spring-time hats, gloves and boas are available for little girls to dress up (sometimes the moms bring them too for the guests to take home afterwards). Generally a party is 2-2 1/2 hours long. An activity or fun game for the guests is encouraged. Cost is \$2.25 for each year of a child's age (\$10 max) and \$12 per adult per adult, plus tax and tip. I like to have at least 6 little girls and at least 2 adults minimum. Room rate \$45 for this type of party. You are welcome to drop by the tea room to check it out and further discuss options. Please call first for an appointment convenient for you.
